Hymn & Prayer

- 1 Father, hear the prayer we offer;
Not for ease that prayer shall be,
But for strength, that we may ever
Live our lives courageously.
- 2 Not for ever in green pastures
Do we ask our way to be;
But by steep and rugged pathways
Would we strive to climb to Thee.
- 3 Nor for ever by still waters
Would we idly rest and stay;
But would smite the living fountains
From the rocks along our way.
- 4 Be our Strength in hours of weakness,
In our wanderings be our Guide;
Through endeavour, failure, danger,
Father, be Thou at our side.

CAPTAINS REPORT

This year rather than give a verbal report, I have decided to give a written account of the Company over the past twelve months. In many respects the past year has seen business as usual with the normal round of events and competitions. However, we have had a number of outstanding events. In particular the appearance of the Company in The BBC songs of Praises in January and the Gym teams appearance in a special event before the Princess Royal at a local Save the Children Fund Event.

The company has had a good level of competition success. The Junior section won the local swimming Gala and the Croydon Football league, while the company had success at local level in swimming, football and the scripture cup (A company first!), and at London level in cricket and five aside with good placings in all three gym competitions and the cross country. In National Competitions the Company again reached the Final of the Volleyball and five a side football. In both cases we were beaten, not due to lack of skill but mainly to inadequate teamwork and training. It is my firm belief that the Company will only win a national trophy when its members are prepared to knuckle down to a higher level of preparation and discipline than that which is currently accepted by the boys.

In the Company and senior sections Bible Class and monthly church parades have been better supported than last year, there are however some boys who treat their obligations to attend on Sunday lightly. Junior Section Sunday attendance at parades has also improved as the year has progressed.

We look forward in the summer to a wide range of activities and Summer Camp which is at Tenby, South Wales.

We also look forward to receiving many new members during this period and most of all to boys coming to know more about Christ. Finally I would like to thank all of you for coming this evening and for your continued support of the company.

|---|--|
| 1 At the Name of Jesus, Every knee shall bow, Every tongue confess Him King of Glory now; 'Tis the Father's pleasure We should call Him Lord. Who from the beginning Was the mighty Word. | 3 In your hearts enthrone Him; There let him subdue All that is not holy, All that is not true: Crown Him as your Captain In temptation's hour; Let His will enfold you In its light and power. |
| 2 Humbled for a season To receive a Name From the lips of sinners Unto whom He came; Faithfully He bore it, Spotless to the last, Brought it back victorious When through death He passed. | 4 Brothers, this Lord Jesus Shall return again, In His Father's wisdom, O'er the earth to reign: For all wreathes of empire Meet upon His brow, And our hearts confess Him, King of Glory now. |

Opening Hymn And Prayer

Led By Our Chairman :Mr P Knights.

1 WE thank Thee, O our Father,
Before the memories fade,
For all Thy love around us,
And for The Boys' Brigade.
O help us to be mindful,
As daylight fades away,
Of blessings showered on us
Throughout the passing day.

2 For joy of life and freedom,
And strength of limb and mirth,
For duties done with gladness
On this Thy glorious earth,
We praise Thee, O our Maker,
And pray our hearts may be—
As voices are uplifted—
In harmony with Thee.

5 Then give us strength, O Father,
Wherever we may be,
To crush what's base within us,
And play the man for Thee ;
To serve with hearts undaunted,
Stedfast and unafraid,
Loyal to Thee and duty
And to The Boys' Brigade.

3 For friendships growing stronger
Beneath Thy radiant sky,
The fragrance and the sunshine
That tell that Thou art nigh ;
For human love we thank Thee,
But this we surely know—
That it is but reflected
From Thee to us below.

4 Lord, in our camp Thou walkest,
We feel that Thou art near ;
Thy strength has made us stronger,
'Tis afterwards we fear !
When back amidst temptations
Which daily duty brings—
'Tis then we pray for courage
To rise to higher things.

CAPTAINS REPORT

Welcome, to our annual Inspection and Display, I hope that you will enjoy the evening and will stay afterwards for a chat and refreshments.

The past session has been, as usual a busy time with many and varied activities taking place week by week in the Company. This is shown by the large number of awards that the boys have earned over the past 12 months. I must emphasise that these have been earned from the youngest boy in the Junior Section up to the oldest senior all badges are earned, and require the boy to show a degree of proficiency in the subject taught.

Over the past year we have taken place in a large number of competitions. Of particular note was our success in last years London Athletics Championships where we won the overall title providing the whole of the Battalion Team. In Cricket the Company won the district 11 a side trophy for the fifth successive year, while in the five a side competitions the senior team won the district competition for the third successive year, the Borough round of the Met. Police Competition and finished third in the U.K. Final. The Company also achieved an excellent result in the Battalion Scripture Competition, winning both the team and the honours cup, 29 boys at the paper.

The junior section has increased in numbers this year to 20, and has carried out the full range of Junior Activities. I would like to record my thanks to Mr Richard English who has helped us on Wednesdays and who has managed our Junior Football Team who have won both the league and Cup. It is encouraging to see numbers grow without a natural feed from Anchor boys.

In the company Section, numbers have been in the high 20's and this year we have reintroduced the squad system, with a keen contest between the four squad commanders. This has been reflected in a marked increase in the General level of attendance and by the fact that between the four squad commanders only 2 parade nights/Bible class attendances have been missed. The Company has operated most badges on Fridays with the exception of gym and hobbies.

The senior section has operated a looser programme which fits in the there work and school commitments, however the general attendance of some of these boys has not always been as good as it might have been. The highlight for this section was the last two weekends in April with the trip to Aberdeen for the five a side football finals, and the Royal Review at Windsor.

This Summer the Company and seniors look forward to a new Camp site at Teignmouth where we will be providing a wide range of activities. We will also be providing a wide range of activities in the summer months including greater use of our new ball games area.

The company exists to serve the boys in the area and is part of the Church and as such we hope to teach them about Jesus Christ in a World that largely appears to ignoring Christian Principles. It is our hope that each week that the boys will not only learn in there activities but that they will learn about Christ. Finally I would like to thank all my fellow officers for there hard work and support over the past twelve months.

Hymn

HE WHO WOULD VALIANT BE

'Gainst all disaster,
Let him in constancy
Follow the Master.
There's no discouragement
Shall make him once relent
His first avowed intent
To be a pilgrim.

Who so beset him round
With dismal stories,
Do but themselves confound
His strength the more is.
No foes shall stay his might,
Though he with giants fight;
He will make good his right
To be a pilgrim

Since, Lord, Thou dost defend
Us with Thy Spirit,
We know we at the end
Shall life inherit.
Then fancies flee away!
I'll fear not what men say,
I'll labour night and day
To be a pilgrim.

Hymn: "How Great thou Art"

OH LORD MY GOD, when I in awesome wonder
Consider all the works Thy hand hath made,
I see the stars, I hear Thy mighty thunder.
Thy power throughout the universe displayed

Chorus

Then sings my soul, my saviour to Got to Thee,
How great Thou art! How great Thou art!
Then sings my soul, my saviour to Got to Thee,
How great Thou art! How great Thou art!

When through the woods and forest glades I wander
And hear the birds sing sweetly in the trees;
When I look down from lofty mountain grandeur,
And hear the brook, and feel the gentle breeze;

And when I think that God His Son not sparing,
Sent Him to die - I scarce can take it in.
That on the cross my burden gladly bearing,
He bled and died to take away my sin.

When Christ shall come with shout of acclamation
And take me home what joy shall fill my heart !
Then shall I bow in humble adoration
And there proclaim, my God, how great Thou art !

retained the Under 14 Cross country ,together with the Company and Senior Five a side Football trophies . The 11 aside Cricket was exchanged for the six a side cricket while The Pr games trophy was won for a sixth time. The Company also entered the district drill, bible quiz , matwork, box work and Basketball competitions.

During the past twelve months the company staff have undertaken a significant amount of training. Attending a planning for change seminar as a group and individually undertaking training in subjects such as food Hygiene, Emergency First Aid, Counselling and Advanced training. Two members of staff are now completing their CCPR awards. The Uniformed staff are indebted to all those who help in any way either at Camp, or playing the Piano at Bible Class or with Transport.

On a personal note I would like to thank my fellow officers for the long hours that they put in not just on the meeting nights but in visiting and preparation .

I believe that the Company is in a position to Build on the achievements of the past twelve months . However , this will require a continued effort from all involved not just the officers but the boys , parents and church members. The support of the latter is very important if we are to ensure that the Company achieves its ultimate object of " advancing Christ's Kingdom....." . Without this support all the efforts of the staff could be wasted.

The coming months will see the Company undertake new challenges and activities as well as some familiar ones. We hope to continue to maintain numbers and possibly increase them so that the 70th can reach and provide a meeting place and opportunities for development to as many boys and young men as possible.

THE BOYS' BRIGADE 70th LONDON COMPANY Captain's Annual Report -27th April 1996

The Past year has been as normal a busy time with the Company undertaking a wide range of activities in all three sections meeting on Three evening a week and at the weekend.

Last Summer saw a trial of holding the target squad in the Pre camp period this proved successful and enabled the boys concerned to move onto Company Activities in September. No Formal recruitment Campaign was held during the year but numbers throughout the Company as a whole have remained static.

Last Summers camp at Dartmouth was weather wise , the best for a number of years and included a wide range of activities such as a Visit to Devonport Naval Base, a visit from the Firm Foundations at Camp team as well as the normal activities.

The Steel band meets on a Monday night for practise and has made over 20 public performances over the past 12 months . The band is mixed boys and girls and now have a range of

both Secular and Spiritual tunes to meet most Occasions. The Highlight was an appearance before the Prince of Wales in February . The bands next performance will be at the Albert Hall in May.

This winter the junior section has undertaken a wide range of activities and achievements which is reflected in the awards gained by the boys. Most Wednesdays there is a regular number of between 16 and 22 boys carrying out games, achievements and craft activities together with a regular devotional time. Staffing in this section has been supplemented by one of our Senior Boys.

Friday nights is the main evening for the Company and Senior Sections. The Company Section Evening consists of a varied programme of activities involving devotions, physical activity, drill and badge work. Activities have included a drama class led by two of our church members, discovery which involved a project on an old railway line, Crime Prevention , Home and Road Safety. This year the company section provided stewards for the Neighbourhood watch award ceremony at the Town Hall.

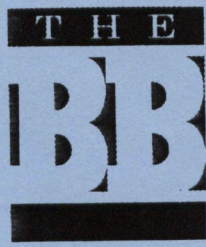

The senior section has had a less structured approach this year but activities have included Weight Training and Bowling.

Most Saturdays have seen the company fielding two Football teams at under 12 and under 14 levels in a local youth club league. The under 12's finished 4th while the under 14's were bottom until a late run of three wins saw them finish third from bottom. In addition the Company has gone Swimming , bowling and five a side football on Saturdays.

Sunday Attendance has been patchy, with a hard core of boys attending Bible Class , however turn out at Church Parades has been good.

During the year the Company has entered all six National competitions Reaching the Semi finals of the Masterquiz and Five a side , narrowly failing to reach the national finals for the seventh successive year. In the London Competitions , the Company

The Boys Brigade 70th London Company

Annual Report -April 1997

The past year has been a time of varied activity over the life of the Company. There has been times of success and disappointment but Throughout we have endeavoured to provide a weekly programme to attract and retain the boys and young men in the Neighbourhood. The Company has a membership of over 50 ranging from 8 to 18 years old in age.

The Activities of the Company include Traditional Boys' Brigade activity such as Drill and Bible class, Sporting Activities and a wide range of interest topics from Computing to Crime prevention and , Safety to Map Making. Throughout the activities there is the common thread of Discipline , Self Respect, Obedience , and Reverence .

The Start of the last twelve months saw the first of the highlights with the Steel band playing at the Albert Hall, an activity they will be repeating next month. This was one of over 20 public

The Company's sporting activities have also been reported in the local press with the Senior Five a side Football winning the London Competition for the sixth time and then Winning the United Kingdom Finals in Swindon. We are only the 2nd team to win the event twice.

appearances made in the last twelve months . The most recent was at the London Marathon in April when the band was briefly seen twice on the Television during the live coverage and highlights.

The Company and junior Section are also following in there foot-steps with both teams winning their respective battalion Competitions

Apart from Football the company has taken part in a wide range of other sporting activities including Swimming (Battalion Company Champions) , Cross Country (London district runners up), Athletics (Battalion & District Champion), Basketball , gymnastics , Badminton and Table Tennis. The boys also have there own Pool championship that has run for much of the year.

The highlight of the year continues to be Camp last years Camp was attended by over 30 boys and was on the Isle of Wight , Camp 1997 will be at Swanage.

All of the Company Activities require a degree of finance beyond the boys own weekly or annual subs , and we are thankful for all those who give regularly at BB week which continues to be our main source of funds. This year the event was supplemented by the efforts of the Company and Junior Sections who raised over

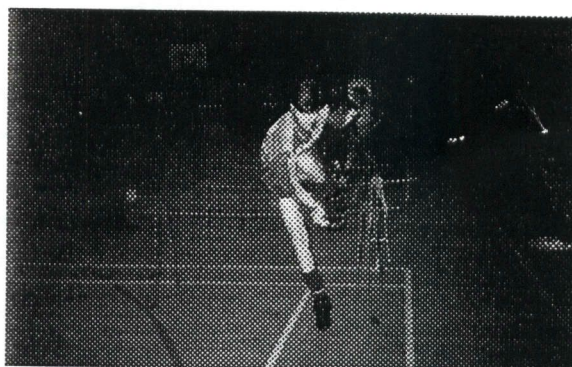

£400 on a sponsored monopoly trail. We were also assisted with grant funding for Equipment from the Local Authority.

The Company has also been involved in the Community last Summer the Target Squad helped clean up a derelict chapel for use by a local community group, while in March Company members acted as stewards at an event at the Civic Suite. On both of these events the Company and the BB in general received favourable Comments . The company also had the honour of representing the Brigade at the Annual Remembrance service for the Founder at St. Pauls Cathedral. L/cpl Steven Blackwood laying the Wreath.

This report only covers some of the highlights of year and perhaps does not do justice to my fellow officers who work regularly week in week out and to those old boys and other supporters who have helped at particular times over the past year. As the Company enters its 90th year it is a time both to look back with thanks giving for the past but also to look forward to the opportunities that the

future will give us. The primary aim for the next twelve months through all our activities will continue to be the "Advancement of Christ's Kingdom."

THE BOYS' BRIGADE

70th LONDON COMPANY

ANNUAL DISPLAY
2nd MAY 1998.

SOUVENIR PROGRAMME
To commemorate the company's 90th year.

NINETY YEARS OF THE 70th LONDON

INTRODUCTION:

As the Company enters its 90th year, it is the opportunity to reflect on what the company has meant to its past members. I am grateful for all of the old boys who have taken the time to write in with their thoughts and thank you's which are recorded in the following pages.

Fred Thomas (1914-mid 1920's)-article reprinted from 1988 display Programme

When, as probably the oldest surviving member of the 70th, I was asked to write about the early days, I found that as soon as I put to paper so many memories came flooding back. Greatest among them camp at Stubbington, where I found my greatest friend The Lord Jesus Christ.

The Company had been in existence only six years when in 1914 I joined. In those days you had to be 12 to join: There was no Junior Section and you were "On probation" for the first three months. Discipline was strict and uniform consisted of pillbox hat haversack and belt -which had to be perfect. The braid on the hat had to be blanched, the haversack lily white (good old mum) and its brass runners shining like the buckle on the belt.

One always wore uniform coming to and going from parade and we carried Carbine Rifles- Dummies of course. Parade was at Sellincourt Road School, once a week during the winter: Band Practice was at Franciscan Road School and Sunday morning Bible Class at 10.00am sharp, was in the old tin building which few will remember. Seats were in rows, one for each squad, with the Nco at one end. Officers sat at the front and Singing was from the BB hymnal.

Going back to band-Mr Adair , from the Scots Guards Band , taught drummers and buglers and one can see him now, all 6ft 2in of him , marching up and down the hall encouraging us, Mr Stockwell taught us First Aid , using his son Robert as a patient. From the start the 70th had camped at Goring -by -Sea, with the 37th, and was able to do so again in 1914, just before war broke out. During Wartime we thoroughly enjoyed ourselves doing 'exercises' with the local defence force. We would go to Tooting Bec Common, climb trees and keep our eyes open on the supposed invading army.

Camping was 'off' during the war, but in 1919 we went to Lee on Solent. Camps at Stubbington; Whitecliff Bay followed. All were run very efficiently and one remembers most the last night in Camp, made memorable by Captain John Godfrey of the 37th playing 'the bells', as darkness fell. As a boy, securely rolled in blankets, you would see a group of officers gather by the Flagstaff, some holding an ancient sheet of music. Others shone torches while John swung his concertina to give us one of the greatest thrills of Camp. Many senior boys were called up for war service and some never returned-One being our chaplain, the Rev Albert Veryard and another our Lieutenant, Clifford Blazdell.

Mr William Cotsell was held in great respect. On parade or at Bible Class he was the Captain, but off-duty he was a great friend, helper, advisor. He had a library of books, which he allowed us to borrow, and on Saturdays, after football, he would have small groups of us to tea. We sat on the floor listening to records on the gramophone and many of us got our first taste of good books and lovely music from those evenings.

In those days, if you wished to go anywhere you walked, or rode a bike, so many a Saturday found us away to Box Hill, Leith Hill, Ranmore Common, or Wimbledon Common and on to Richmond Park. On most occasions we finished up at Mrs Becketts's general store in Ewell, where in the yard was a bath of cold water for us to have a sluice before going in to tea. Everything was 'ad lib'. Watercress, bread, butter, jam, and cut cake as much as you could eat, washed down by cups of tea and all for nippence old money! Then we would remount and cycle home.

Knights as the Captain. There is no doubt that I have received the best grounding for carrying on that work.

Thank you 70th, for all that you put into me: I only hope that I can now start to give back some of all I received from you all.

Andre Belle- 1968-79(boy), 1989-1998. (Warrant Officer)

I joined the 70th at about 6 or 7 when I joined the blue Imps (The Forerunner or the Anchor boys). My first recollection was when I was in the Junior Section when I was taught how to sew on a button as part of my Purple Badge Achievement scheme. In 1973 I was promoted to the Company Section and I remember that discipline was very much a feature. As part of a squad I was taught how to clean my uniform, which was worn each parade night, various activities were held throughout the week including Badge work like band and First aid. I was not much good at these but I did play football, Table Tennis and Gymnastics.

There was camp in the summer and I remember one year losing a small group of boys in the Devil's Punch Bowl. The 70th's 70th display was held at Eastfield's school. I remember that year because as a Lance Corporal my squad won the squad medal. The last significant thing that I can remember was playing in a National Volleyball match in South East London. Although we lost 3-1, I believe it was the Company's first venture into the national competitions. There were many good times in the 70th as well as bad. Many friendships gained and some lost over the course of time. I was recently asked which teacher influenced me most as a boy and youth; - I replied the 70th and especially Peter Knights the then Captain.

Although I did not find Jesus as my Saviour in the 70th, I did some six months later when I attended the church as part of the 'Young Scene' Youth group.

Carl Osborne 1973-1986

Tooting Junction Baptist Church will always have a warm and deep appreciative place in my heart, for it was there that I was converted at the age of 11 in 1976. My family had moved to Tooting in 1973 and I attended the church till 1986 when I started going to the church where I currently worship -- Trinity Road Chapel.

This piece also gives me the opportunity to thank so many folk who prayed for me, put up with me and ran the various organisations that I went to. In particular, I honour and thank Peter & Daphne Knights, Arthur Bowbeer and Neil Pheasant who did so much to encourage me in the Christian life. I also thank the church for the love and care shown to my late father, Floyd Osborne and to my great aunt, Maye Plenderleith, who has been coming to Tooting Junction since moving to England from Montserrat in 1997.

One of the most vivid memories I have is of my first BB Camp at Ashburnham, Sussex in 1976? The Camp Padre, Arthur Bowbeer asked us two questions: -

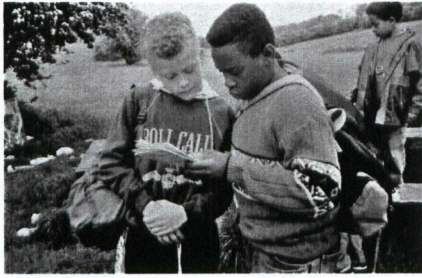

1. If you were to die tonight, would you go to heaven or hell?
2. If you were standing before God and He was to say to you, why should I let you into my Heaven? What would you say?

I was very worried, as I didn't know the answers. It did, however, start a search for faith that resulted in my trusting Christ some months later.

It is difficult to sum up what the Boys Brigade means to me; it was great fun and I made a lot of friends including Philip Charles, Paul Parker and Stephen Ballard.

BB gave me the opportunity to enjoy and experience things and places that I would otherwise not been able to. The 70th certainly strengthened my Christian faith, taught me discipline, responsibility and leadership skills that I utilise in both my 'secular' and 'Christian' work.

I experienced major events in the life of the BB; the 70th year of the 70th in 1977 and the centenary in 1983 where we performed at the Albert Hall and held a march past for The Queen at Holyrood Park, Edinburgh.

In concluding, a final message to the boys' themselves; make the most of your time in the BB, get to as many classes and earn as many badges as you can. Be disciplined and respect your Officers and NCO's. Most of all do listen and take on-board what you are taught about Jesus. Accepting Jesus as your Saviour and Lord is the most important thing you can do.

Vusi Siphika 1985-1992

I went along to the 70th in September 1985, as a new boy I entered the target squad, which gives a good insight and understanding into the workings and operations of the BB. We had to learn the history of the Brigade, the object, motto, drill and a basic understanding of the Christian Faith. Within the target squad it was instilled into us that we had to work hard for our badges. From this healthy competition with the other target squad lad occurred where we wanted to have good attendance, clean uniforms and to do well in drill. The squad system ensured new boys formed an integral part of the company. Here we were put under the control of a squad commander, usually a NCO who would keep an eye on us. The NCO's set high standards and gave a positive example, making a new recruit think, "Yes, I want to be like that".

Friday night was the big night with drill parade. Drill could be off-putting for the newcomer with Mr Buss's voice raised to extremes that had the whole of Longley Rd quivering in their boots. A long with Mr pheasant's bad jokes we were onto a winning combination. Drill would be followed by clubroom, which consisted of Snooker, table tennis football and Board Games. The other important meeting was Bible Class on a Sunday morning. To me Bible Class brought a sense of fellowship and brought everything together. If you like a sense of bringing all the fun and good things we did in the brigade and bringing them to God. Furthermore Bible Class provoked and challenged boys to decide which path they should follow. The path with Jesus Christ or the path without.

So what were some of the fun filled action packed sports activities, events and competitions and memorable moments that took place in my time in the 70th. Sport featured heavily with 11 a side football on Tooting Bec Common featuring some close encounters with the likes of the 37th Battalion under 14 five a side football was won at Spencer Park School. The 70th had much success on the football pitch and as boys left at the age limit others replaced them, the company had some talented individual sportsmen. Who did the Company proud? We enjoyed some success in National Competitions with one Courageous hero in Andrew Johnson who was hospitalised with concussion in one competition but was back the following Friday on drill parade. It was not until I left the Company that the Company gained its first National Competition - The five a side football beating the Scots in Nottingham with cries of "it's a London 'ting"

Other sporting activities included Cricket, athletics, volleyball, swimming and Table tennis. In all these sports apart from Swimming (probably because I was Captain!) the company enjoyed considerable success at London, Battalion and National Level.

In other spheres the company also flourished with a host of activities going on. The Duke of Edinburgh's award saw boys achieving bronze and Silver while various badges credits were earned in Citizenship, first aid fire prevention and expedition to name just a few activities.

Even National fame was bestowed on the company, when we were featured on Songs of Praise. One image the programme left with me was of Wayne Henry locked in a police cell. What did he do wrong? We asked ourselves. Had he attended a citizenship class!

To me the work and events of my life in the 70th can be summed up in the annual camps. Mr Buss organised no expense spared luxury camps in Exotic locations such as Devon, Isle of Wight, Tenby and Swanage. Grass fields, tents cold water washing, The Prof's walks through the bush, and camp sports always made for a memorable camp. In particular I found camps interesting when there were neighbouring camps. The sight of collapsed tents in their fields always bemused me. How could they have got like that? . However the ultimate experience of Camp and the BB is the senses of fellowship and closeness with our Saviour Jesus Christ. An experience that will never change from generation to generation.

The Company Today and tomorrow -Chris Buss Company Captain

When reading and compiling the various old boys' accounts, a number of thoughts crossed my mind. Firstly there were the similarities between the early days and those of today, most commonly was the role of camp in the life of boys whether in the 1910's or much later. Secondly there was the theme of comradeship and friendships which were struck many years ago and still exist, thirdly there was the sense of achievement and development both individually and corporately. These three themes are still alive and flourishing in today's company and help in my mind to show the difference between the BB and other youth work both within and outside the church. The BB is in my mind unique in that it provides a place where the whole boy can be challenged into become a whole man.

The 70th today is in many respects different to the accounts given by our former members. Drill no longer plays a prominent part of the programme. Badge work is more diverse and consists of many small parts, indeed for the 15+ badgework is virtually non-existent unless one wants to become a queensman. These changes make the regulation uniform difficult to wear on a Friday when drill will be interspersed with gym, other physical activity, badgework and sundry other activities. Today the company has many challenges to the mind of the boy particularly the 14+. With this in mind we have to and I believe do give them not only what they want but also what they need. A place where they can find their feet as they grow into adulthood. The Company still has annual Camp, where the boy can find himself doing orderlies, waking at 6.30am to wash and then do tent inspection but with the opportunity to undertake a wide range of off site activities. He also has the opportunity to meet with his Saviour.

The Company still allows its members to forge friendships, which will outlast their time in the Company, and to achieve as a team or as an individual either on the competition floor or through individual effort.

It seems that the past 14 years, is it really that long that I have been Captain, have seen many changes and events in the life of the company including many achievements.

The company has travelled throughout the United Kingdom including a never to be forgotten trip to Northern Ireland in 1992, It's not every night that you get a visit at midnight by two policemen with automatic rifles at the ready wondering what the noise was.

The sense of Satisfaction of winning not one but two National Competitions will always remain with me. The Company appearing on TV and video and performing before Royalty with both gym team and the steel band. Being represented by seven members at the 1994 Royal Review at Windsor. Taking part in both the BB and GB Royal Albert Hall Displays. Camps and displays have come and gone. Somehow I don't think that I will ever get six boys to reform as the 1st Covent Garden Company complete with coloured tights and Toto. Boys have made commitments to Christ and settled into a variety of churches.

Over the past ten years the Company has been blessed with a stable staff base and I give my thanks to Jim Ballard, Barry Green and Andre Belle for their support, help and willingness to serve. I would also like to thank the various Old Boys and Friends of the Company who help at Camp and at other times when asked.

The immediate future of the Company is uncertain due to problems outside the Company's control, however whatever the future holds the 70th will remain a place where boys can grow into a full Christian manhood.

Competition Work

Competitions have played a large part in the work of the Company; we have no record of the success or otherwise of the Company in the various battalions Competitions before the 1940's. And from then until today we have only an incomplete record of the company's record. However, the earliest success was the Battalion First Aid and Barnsley Colour Competition, which were won in 1943. Further successes in both Competitions followed in later years. Indeed the 70th were the last winners of the Barnsley Colours Successor the Noon Colour in 1985. Battalion successes occurred in the 1950's, 60's and 70's in Drill, First Aid, Gym and Band. However with the decline in battalion strength since the late 1980's. Competition at this level has been limited to Swimming, Five a side football and athletics in recent years. In the latter event the 70th have maintained the efforts of the 50's and 60's achieving 13 consecutive wins from 1984-1996.

It is however possible to compile a full list of National and London Titles:

National Competitions:

Camp

From the various old boys accounts it can be seen that summer camp is a pivotal part of the life of the Company . From the photographic records it can be seen that many of the routines remain unchanged. While over time facilities have changed with Tilley lamps and Lat. pits now being consigned to the past . However, the atmosphere and purpose of Camp remains the same. The Menu's and programme have also changed . I'm not to sure what the Camp's of 80 years ago would have thought of Chinese style stir fry with Spare Ribs or Rice and peas and Chicken Caribbean Style. But other items like Plum Duff and porridge (not together!) remain. The Company has camped both on its own and with a number of other Companies over the past 90 years. Main Camping Partners have included the 37th London and the 3rd Mid Surrey but other Company's we have shared with include the 118th London, 2nd Herne Bay and the 47th London. In early years Camp was possibly the one holiday the boy might have and therefore the same site has often been returned to. More recently Camp Sites have varied to give the boy more variety in, site, scenery and Activity. The Complete list of Company Camp sites is as Follows:

1910-1914- Goring -Sussex, 1919-1939- Stubbington-Hants, 1942- Chinnor, Oxfordshire 1945-1950, Ferring-by-Sea, Sussex, 1951-55 Church Hougham , Kent. 1956-1959 Charmouth , Dorest, 1960 Pett Level Kent, 1961-1962 Whitecliff Bay , IOW.1963- Exmouth Devon, 1964 -Teignmouth, Devon , 1965-66 Swanage , Dorset1967 -Kingston-Devon , 1968-1970 - Sidmouth-Devon , 1971- Whitecliff Bay, IOW ,1972 Pangbourne-Berkshire, 1973 Balcombe-Sussex, 1974-1975 Udimore-Sussex , 1976 - Ashburnham ,Sussex .1977-Udimore-Sussex,1978 Light weight Camp tour, 1980 PenMaen Mawr-Gwynedd, 1981-1983 -Sidmouth -Devon , 1984 -Porlock -Somerset, 1985 -Lee(nr Ilfracombe) Devon, 1986-Sidmouth -Devon , 1987- Salcombe -Devon , 1988-89-Whitecliff Bay IOW, 1990-Swanage, Dorset , 1991-Tenby Pembrokeshire ,1992 Swanage -Dorset, 1993 -Whitecliff Bay IOW , 1994- Teignmouth -Devon 1995 Dartmouth -Devon , 1996 Whitecliff Bay , IOW, 1997 Swanage-Dorset

Captain's Annual Report – Annual Display May 1998.

Anniversary's in any organisation are a time of looking back and remembering times past both good and bad and as the Company celebrates it's 90th year there will be opportunities for doing that this year. However, this report is really just to give a quick look at the last year and a glimpse into the future.

In many respects the last year has been good to the Company. Company and senior attendance has averaged almost 40 each week while juniors have gone from a low base up to 16-18 most Wednesdays. The Relative high number of boys has not been matched with an increase on staff on Fridays but fortunately we have managed to keep a programme, which has retained the boys, interest and enabled them to undertake work on the Brigade Badge Scheme. Activities undertaken have included, Home and Road Safety, Crime and Fire Prevention, Local History, Drama as well as drill and Physical Activities. This years Christian Faith Class took the form of answering the boys questions while the consequent discussions were lively to say the least. Bible Class is held on Sundays but only 4 church parades have been held. Parents and Friends are kept informed of what is happening via our monthly newsletter.

The Company has had a good record in Competitions this year at present they are London Champions in seven Competitions (Junior 11 a side football, Company & senior Five a side, 6 and 11 aside cricket, box and Mats). And assisted the Battalion in Two more (athletics, 11 a side football). We have also had a successful year in the West London 11 aside football league being undefeated. In the National Competitions we reached the fifth round of the Table Tennis and Narrowly missed the Finals of the Five a side. We are however hosting the Badminton on June 6th.

The joint BB and GB steel band "Kool Drummings" has continued with a busy programme of local and national performances including Church services with over 20 appearances since last years display and more booked well into 1998. In fact we have so many requests to play that we have to turn down almost 50% of the requests due to previous engagements. We are currently purchasing additional pans with a grant from the "Foundation for the Sports and Arts" This will enable us to give more members the opportunity to learn and play outside.

Camp last year was a great event despite the weather a full range of activities was provided including Canoeing, Karting, Rope work and Climbing. Our Camp Chaplain was Sashi Seghal who held the boys' interest during the week and 10 boys made a commitment, these have been followed up. This year's Camp is at Dartmouth and we will be using our own Equipment. Which will be supplemented with assistance from a grant from the Rank Foundation.

The Company has had the benefit of two external visits this year from Wandsworth Youth Service and The London District Development Officer both comment favourably on the range of activities and the quality of delivery. We have also assisted locally in providing stewards for an event at the Town Hall.

Financially the Company is quite stable with BB week raising over £1700 last year, again many thanks to Old Boys and Church Members while The Local authority has provided grants for equipment. However these sums of money soon disappear in the hiring of vehicles, pitches purchase of balls and other more mundane items like insurance and annual capitation fees.

The Company is entering its 90th year with optimism that the programme we are providing is right for today's boys, We will continue to aim to reach the object of the Brigade with a mix of traditional and new activities. We intend to continue to serve the Local Community.
