NEWS.- Firstly round up on recent news –

Since our newsletter we have twice been to Nottingham .

Pictured left is our successful; senior five a side football team which won the under 18's England Five a side football. A belated well done.

Our Second trip was for the England Athletics on July 4th .

Nine boys traveled up to take part and all of the played a part in an excellent days work.

The intermediate team came a close second which was a very good result as the company was up against battalions , that is local groups of companies from areas such as Birmingham and Nottingham.
