First Round

The 8 Companies taking part are split into 2 groups of 4.  
Each Team plays all the others in their group. Two points  
are awarded for a win and one for a draw. The 2 teams in  
each group with the highest number of points go through to  
the Semi Final.

If there is a tie, with more than one team gaining the same  
number of points, the number of goals scored will decide  
positions, if more than one team has the same number of  
points and the same number of goals the team with the least  
number of goals against will take precedence. If two teams  
have the same record of points and goals for and against, a  
decider will be played.

## NATIONAL COMPETITIONS

These competitions, which are the successors to the Steadfast Competitions, established in the early 1950s, are organised in Badminton, Chess, Masterteam, Table Tennis, Volleyball and Five-A-Side Football.

The teams here today are the survivors from an entry of over 300 teams and all have played through earlier zoned rounds – in the case of the Scottish teams it was 4 rounds in groups of six teams – so by this time they should be experts and serve up a high standard of play.

# Notes for Spectators

## To help your enjoyment

### General

**1** To gain entry to the Games Hall you must carry your programme. The Games Hall is open from 1000 hours.

**2** Food and drink may not be consumed in the Sports Hall. The Gymnasium is available for the consumption of food and drink. Please help to keep the Premises tidy.

**3** Games shall consist of two equal halves of 6 minutes. There will be a 3 minute changeover period to allow spectators to enter and leave the hall. NO ONE may enter or leave the hall whilst play is in progress.

### The Game

**1** If in the opinion of the referee a player commits an offence worthy of a yellow card he will be sent to The Sin Bin for a period of 3 minutes. If there is less than 3 minutes left in the current game the penalty will continue into the next game. Two yellow cards in a game does not necessarily mean an automatic sending off, this is at the discretion of the referee. If a player is shown a red card he will not play in the remainder of the Competition.

### Technical Area

**1** This is the area situated in the centre of the seated area housing the technical staff. The substitute and Sin Bin areas are situated there (See diagram page 9). During the competition no officer, coach, player or spectator may enter the area unless asked to report over the Public Address System.

**2** Before each game commences the substitutes and one coach will report to the Technical Area and remain there for the duration of the game. Substitutions can be made at any time but must be notified to the fourth official before taking place. Substitutions must be made close to the Technical Area. A player goes on as the other comes off. Once substituted a player will not be allowed back on during the remainder of the game.

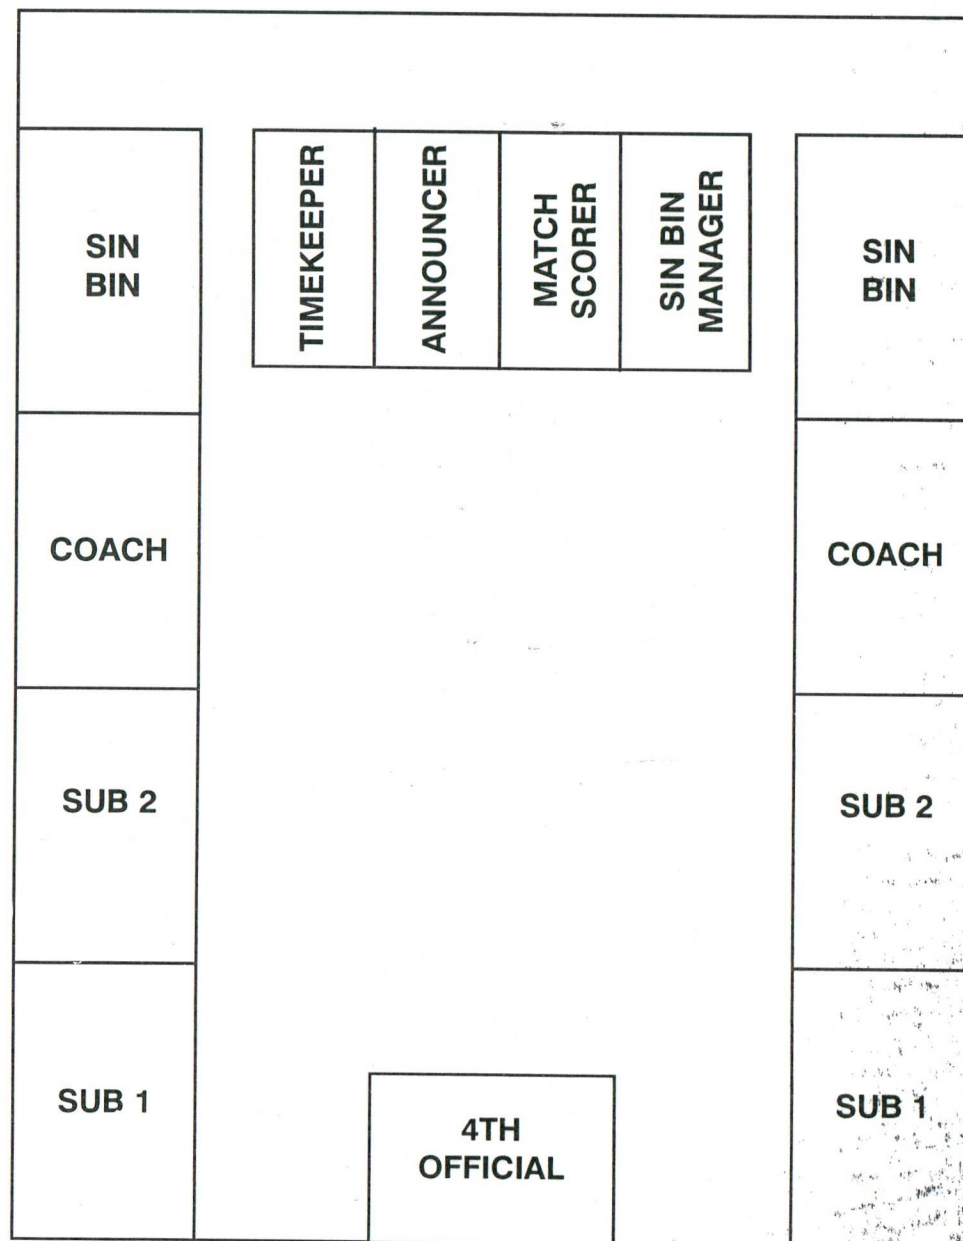

### Spectators

Please refrain from putting your feet onto the field of play during matches. It is hoped that spectators will ensure a good atmosphere in the hall. Please feel free to chant and sing in support of your favourites but we would ask that you refrain from swearing, making racist or religious remarks or personal abuse. Any spectator acting in a manner detrimental to the image of The Brigade will be asked to leave.

### Trophy Presentation

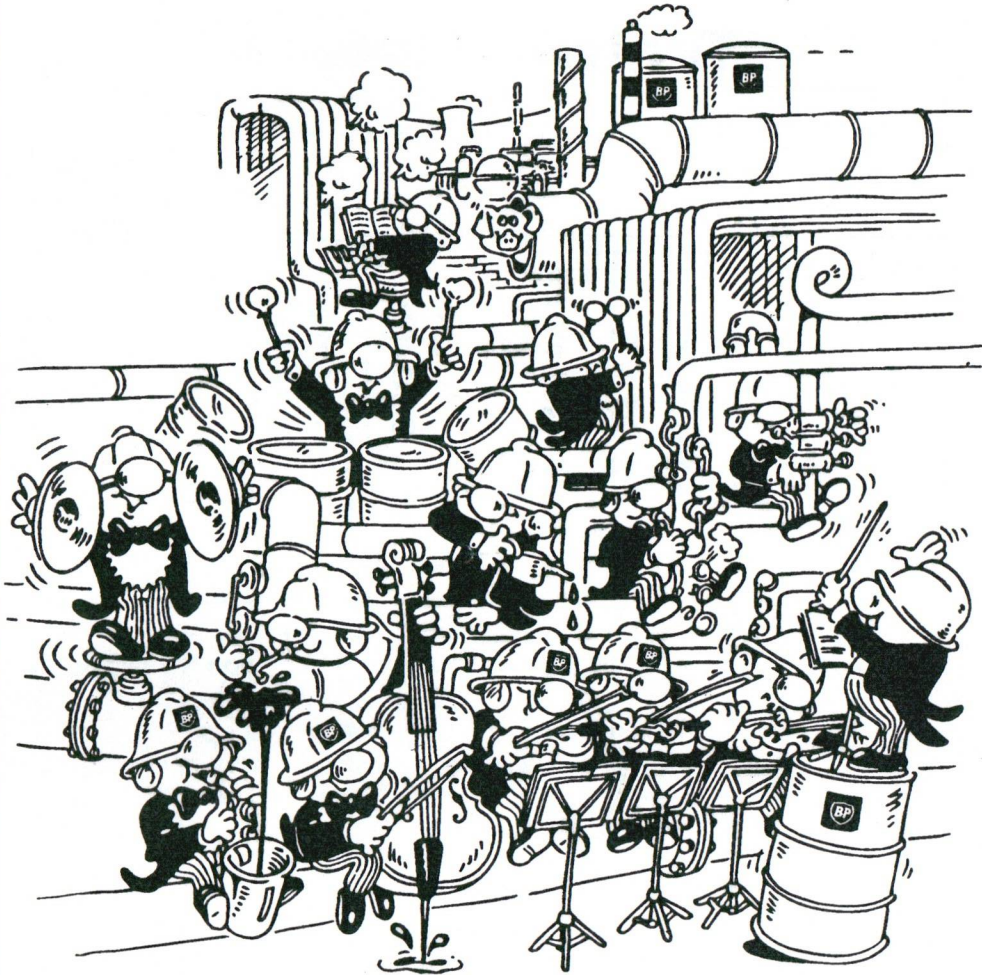

At the conclusion of the final. The National Trophy will be presented to the National Champions in the hall. Spectators are asked to remain in their seats until the conclusion of the presentation ceremony. Individual awards will be presented later at the Civic Reception.

*The Wiltshire Battalion congratulates  
all eight teams for reaching the final.  
Good wishes go to all squads, officers, helpers and spectators  
for a great day of competitive five-a-side football.*

It is a Great honour for us, the Wiltshire Battalion, to be asked to host these National 5-a-side Football Finals. For the first time in the history of the competition, the finals will be hosted in this part of the country which we feel gives a special boost to our Battalion and our District. We are very pleased to welcome teams from throughout England and Wales, Scotland and Ireland;

the 4th Portadown Company from Ireland, the 11th Coatbridge, 42nd Dundee and 10th Inverness Companies from Scotland, and also the 1st Cleethorpe, 70th London, 32nd Nottingham and the 4th Swindon Companies from England and Wales. It is of course a special thrill for us to announce a company from our own Battalion as one of these finalists. It is my pleasure also to welcome our honoured Brigade Executive guests from Headquarters, Mr Sydney Jones O.B.E. our Brigade Secretary and the man with his finger on the pulse of Brigade activities, and also Mr Raymond Bray M.B.E. Brigade Vice President and Chairman of the Brigade Executive. We are fortunate and very proud that Mr. Raymond Bray is also the President of our own West of England and Channel Islands District.

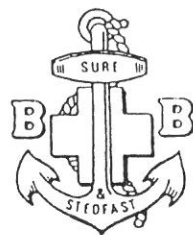

I extend a personal warm welcome to all our honoured guests, football personalities, civic dignitaries and Boys' Brigade officials and to all our visiting teams, with a wish for keen competition and for sincere and lasting fellowship among all.

Leif Edwards - Wiltshire Battalion President

# FIVE-A-SIDE FOOTBALL

This is a fast and furious game with amazing skills performed at high speed. The duration of each game is twelve minutes (6 minutes each way). In the semi-final, third place play-off and final games, which finish as a draw at the end of normal time, play will be extended by six minutes (3 minutes each way). If no result after this period, play will continue until the first goal is scored - sudden death!

Heading of the ball is not allowed and the ball must be kept below head height (the Referee has discretion as to what constitutes 'head height'). There is no offside and players can pass back to their goalkeeper. There are no goal kicks or corners just fast, flowing football!

## REFEREES

There are three Referees for this 1997 Final.

**GRAHAM BARNES:** Graham Chairman of the Swindon & District Referee Association. Graham works as a Risk Improvement Engineer for the Zurich Insurance Company.

**KEVIN BARNES:** Class 1 Referee who officiates on the Western League. Kevin is a Postal Operative by profession.

**BRIAN BUSSON:** Class 1 Referee: Secretary and Training Officer for the Swindon & District Referees Association. Brian works in plastics as his main employment.

## COMPETITION STATS

Although Boys' Brigade HQ records only go back to 1980 it is thought the national competition started in the early 70's, perhaps earlier! 42nd Dundee discovered they were in the final in 1974 and 1975, as runners-up and champions respectively. This is the record provided by Tom Usher, competition co-ordinator:-

|      |                   |      |                  |
|------|-------------------|------|------------------|
| 1980 | 1st Methil        | 1989 | 1st Portglenone  |
| 1981 | 8th Motherwell    | 1990 | 1st Greenock     |
| 1982 | 3rd Gatehead      | 1991 | 1st Muirkirk     |
| 1983 | 10th Inverness    | 1992 | 8th Falkirk      |
| 1984 | 1st Kilbirnie     | 1993 | 70th London      |
| 1985 | 8th Airdrie       | 1994 | 7th Wishaw       |
| 1986 | 1st Methil        | 1995 | 2nd Cambusnethan |
| 1987 | 2nd Falkirk       | 1996 | 4th Portadown    |
| 1988 | 6th East Kilbride | 1997 |                  |

Only 3rd Gateshead and 70th London have won the Cup for the England and Wales Companies. The Irish, but mainly the Scottish Companies have dominated the competition.

180 Companies throughout the United Kingdom started out as early as October 1996 in this competition. For example in October/November last year there were 16 venues in England and Wales, each with 4 or 5 teams playing one another for the right to go forward to Round 2. This format continued until March 1st, when 4 teams (70th London; 1st Cleethorpes; 32nd Nottingham; 4th Swindon) emerged victorious from four venues. A similar procedure was used in Scotland and Ireland.

Only Scotland's 1st Methil has won the national competition twice, but with previous champions 42nd Dundee, 70th London, 10th Inverness and the current holders 4th Portadown in this final, that statistic could well change!

# WILTSHIRE BATTALION

The Wiltshire Battalion came into being in 1974 when it replaced the former Wiltshire and East Somerset Group.

Arthur Simmonds was its first President and during his three years in office he laid the solid foundation of high standards and total Christian commitment, which he expected of all Officers. Arthur joined the 125th London Coy. in 1926 and founded 2nd Swindon in 1953. Arthur was very respected and he inspired all. Since that date this noble office has been filled by many loyal, committed and caring BB Officers. The current President, Leif Edwards ably continues that long tradition.

The Battalion stretches from Swindon in the north to Salisbury in the south and is part of the West of England and Channel Islands District. The Battalion's combination of urban and rural Companies makes for an interesting mix of both boys and officers!

The Battalion is in the middle of a five year Development and Extension Project aiming to increase its number of Companies by 50%. This project is sixty percent funded by Grant-Aid from the Wiltshire County Council and we publically thank them for their commitment.

The Wiltshire Battalion consists of ten Companies, two of which are working in unison. The Battalion is building for the future with a growing number of young officers and many are women. The average age of our Company Captains is only 40. The Battalion's new Development Project is entitled "Prepare the Way for 2000". Building for the future is the priority of the Wiltshire Battalion, but inspired by its past!

## Green Park

Buckingham Youth and Community Service welcomes the Boys' Brigade National Finalists to Green Park, the residential centre for young people in Buckinghamshire.

Green Park is located in the foothills of the Chilterns in an 80 acre woodland site. It was originally owned by the Rothschild family and is now the 'spiritual' home of voluntary and maintained youth service of the county. Particular emphasis is placed on the residential training of young people and those who work with them. The wide-ranging facilities at the Centre are in constant use by maintained and voluntary organisations, charities, and both central and local government departments.

We hope you have a very exciting stay and find the facilities for the needs of your National Finals.

## BCVYS

**BCVYS** is an independent voluntary organisation, registered as a charity, working for the benefit of the county's young people.

Buckinghamshire Council for Voluntary Youth Services is the umbrella organisation for some 30 voluntary youth organisations, ranging from large national uniform groups to the small individual organisations in Buckinghamshire. Currently some 30,000 young people aged 5 to 25, backed by over 6,000 voluntary adult leaders, workers and supporters, are members of those 30 organisations. **BCVYS** also works on behalf of the young people who do not belong to youth clubs or organisations.

Its aim is to enable voluntary youth organisations to retain their autonomy by sharing the best of good practice.

It offers the following services: Information; Training support; Grant allocation; Funding advice; Advocacy; Honest broker; Quality assurance.

The Boys' Brigade is a key member organisation within **BCVYS**.

Your Boys' Brigade battalion should be able to find its own local Council for Voluntary Youth Services (CVYS) within its local area and play an active part in affecting the work done with young people on your patch. The national umbrella group for voluntary youth work – NCVYS – (National Council for Voluntary Youth Services) gives support and encouragement to CVYS's across the whole country.

The Boys' Brigade nationally is also a member of NCVYS

# Felden Lodge

Felden Lodge was bought by The Brigade soon after the 1939-45 war, to be the second of our national training centres.

Used heavily for training courses virtually every weekend, and in recent years mid week by parties from schools and local organisations, the grounds and buildings have been slowly but steady improved in recent years. The once almost derelict swimming pool has been converted to the Thurso Centre – self contained self catering accommodation popular with Company and Junior Sections looking for a weekend away. The one time tennis court is now a football training area with floodlights, with an adjacent sports hall well used during the week and on training courses providing accommodation in size not too different to that enjoyed by many a BB Company.

Then in the last few years the residential accommodation has been upgraded and now offers course members single and double rooms each with its own facilities. Soon after the All Final weekend work will start extending the dining room area.

For ten years Firm Foundations has been held here over the late May bank holiday weekend. One and a half thousand young people enjoying time together praising their Lord.

Still an important training centre Felden now houses the UK as well as the England & Wales HQ. These offices have now moved out of the old hall into the main house, and there are ideas on development of the hall. Better facilities for users of the camp site, and better storage and access to our archives (they also record the beginnings of youth work in the country) are all under consideration.

### House Rules

The premises are clean and tidy when we arrive let us leave them in the same condition. If you bring soft drinks in cans or bottles take the empties away with you, do not leave them lying around in the games hall or dressing rooms. If the Brigade receives a bill for cleaning or damage to property it will be passed on to the six companies.

### Trophy Presentation

The Trophy presentation will be immediately after the final game by a member of Falkirk Council.

### Referees

Mr Friel and Mr McMcGinlay were again quick to answer the call to officiate here this evening. They are experienced match officials and are noted for not being affected by vociferous baying spectators. The Boys' Brigade is indebted to them for giving up a Saturday evening and without them there would be no final. Let them see football can be played without aggro.

## WELCOME

On behalf of all at Scottish Headquarters it is my pleasure to welcome Boys, Officers and spectators to the 2004 final of the National Five-a-Side Football (Junior) Competition. Reaching a national final is a great achievement in itself and I hope tonight is an evening of celebration where all players will demonstrate their football skills bringing out the best in style and accomplishment to entertain their audience.

Vocal support for the team is an accepted necessity of the sport but please keep it under control and make this a demonstration of B.B. sportsmanship both on and off the field.

I have no doubt the teams will compete with enthusiasm but unfortunately by the end of the night only one team can lift the trophy. I hope the remainder, whilst disappointed, will return home having enjoyed a time of real B.B. fellowship in the knowledge that they played hard and fair, giving of their very best.

With every good wish to you all

Tom Boyle  
Director, Scotland

## 6/8th Dundee

This Company which is connected with Lochee Old/St Lukes Church retained the Scottish Junior Fives Trophy this year and having played at Nottingham last year in the initial National Final will be renewing old rivalries on Saturday evening. The current strength of the Company Section is 60 Boys.

There is a pool of nine names on the team list from which eight will be selected on the night. It is not known if this is a tactical move but I am assured that availability and fitness will decide the final eight.

Meantime the list is,

Luke Bremner, Finlay Caird, Scott Findlay, Christopher Hadden, David Harris, Derek McKeith, Robbie Robertson, Craig Scrimgeour and Lydon Stark.

## 1st Warrington

The Company was founded in 1980/81 and is connected with Thomas Risley United Reform Church. Although, like 3rd Kilkeel they are a comparatively young company they have a strong Company Section (including seniors) of 70 Boys with an average weekly turn out of 55.

At the time of going to press we are not in possession of the team lines and regretfully the Boys names cannot be listed.

## TEAM PROFILES

### 2nd Gourock

The company was formed in 1898 and has always been affiliated to St. John's Church in Gourock. The company captain is Alan Aitken who has been in situ for over 25 years. Alan also serves as the Inverclyde Battalion President. Perhaps the most intriguing aspects of the company relates to our uniform. We continue to wear the national dress comprising kilt, our good neighbours 3rd Gourock also continue to wear the kilt. (Smith tartan). We believe that 3 companies in Scotland continue in this fashion. Our company numbers remain very buoyant at 150 boys across the 3 sections (Anchor/Junior/Company).

### 3rd Gourock

The 3rd Gourock are attached to Old Gourock & Ashton Church on the West Coast of Scotland. We are in our 98th session having been formed in 1908. Our company strength is approx. 100 boys within the Anchor Boys/ Junior Section/ Company Section. This is our 2nd UK 5's Final in a row. Well known with our friends at 2nd Gourock, we proudly wear the Kilt as part of our BB uniform. Our Captain is Bill Main who is in his 2nd year doing this job.

### 70th London

The 70th London company is based in Tooting South London and is part of the Baptist Church in Tooting. The company was formed in 1908 and is no stranger to National Finals. This will be our 24th appearance in UK finals since 1986. We were previous winners of this event in 1993, 1997 and 2001 and were the first winners of the under 14 5-A-Side in 2003. Five of that squad are in this years team.

## TEAM PROFILES

### 8th Leicester

The 8th Leicester Company has been established for nearly 100 years and is located in the inner city of Leicester. The company have never been overall winners at a National Competition.

### 3rd Kilkeel

This session the 3rd Kilkeel are celebrating our 25th anniversary. We are connected to Christ Church Kilkeel and are members of Down Battalion. David Charleton is the company captain and has been since the formation. We have 33 Anchor Boys, 42 Junior Section and 57 in company and senior sections. As part of our 25th Anniversary celebrations some of our seniors and their mums are going to Africa in July to work at a primary school in Uganda. The project is called "Mum Will You Come?" and will involve painting, Holiday Bible Clubs etc. Our company has played in UK Finals in 2000, 2004 U15 & U18, 2005 U15.

### 1st Cullybackey

The 1st Cullybackey Company was formed in 1977. The company jointly belongs to Cullybackey Methodist Church and Cullybackey Reformed Presbyterian Church. The company is a member of the Ballymena Battalion. Geoffrey McWilliams is in his twentieth year as Company Captain. Two Chaplains and eleven officers currently assist him in the company. The company has 25 in the Anchor Boys and 20 in the Junior Section and 45 in Company/Senior Sections. This is the first time the company has competed in a UK final in any event.
